Miss Selma Pierson  
9 Rotary Avenue  
Binghamton, New York

Dear Miss Pierson;

Enclosed you will find three 150 word and three 100 word radio spot announcements to be used over the Smith College radio stations as per our contract.

I am indeed sorry that I was late in getting these to you, but we have been busy here with our remodeling.

Read these over carefully, and if you feel that some changes should be made, do not hesitate to go right ahead.

Very truly yours,

*Lionel L. Foucher*
